Thank you all for attending our 11th Annual Showcase,

Sharing our joy and love of dance with the families who love and support the PMDC dancers is what makes this the most special weekend of the year!
Enjoy the Show!

ABOUT THE DIRECTORS

LINDSAY DORIS

Lindsay began her dance training at the age of 7 in Scottsdale, AZ. Lindsay's dance training was as unique as it included the opportunity to be a competitive dancer as well as trained in the classical forms of ballet and modern dance. This cross-section of dance education inspired her to continue on in dance as a career. At the age of 16, she was accepted into the prestigious University of North Carolina School of the Arts (UNCSA) where she received her high school diploma and Bachelor of Fine Arts in Contemporary Dance. At UNCSA she experienced working with the choreography of such greats as Jose Limon, Lar Lubovitch and Alwin Nikolais. Following her graduation from UNCSA, Lindsay continued her dance education at The Limon School, The Paul Taylor School, The Merce Cunningham School and the Peridance Capezio Center. It was through a class at Peridance that Lindsay gained her entry into the professional dance world and became a member of the Cleo Mack Dance Project. It was during her final year with the company that she decided teaching dance was her true passion and she leapt into the world of teaching full force.

DANA MILLETTE

At the age of 2 1/2, Dana was diagnosed with a brain tumor that nearly caused her to lose her life. Although most of the tumor was successfully removed, her neurologists were concerned that what remained might continue to grow and affect her coordination. To offset that possibility her parents enrolled her in dance classes and thankfully she made a full recovery. Since beginning her dance training at the age of 3, she has had the opportunity to study various forms of dance including Broadway-style tap and the ballet syllabus of the Royal Academy of Dance as well as perform as a competitive dancer. At age 17, Dana was nominated for a prestigious Papermill Playhouse Rising Star Award for her choreography in her high school's production of "The Music Man." After graduating high school Dana went on to receive her Bachelor of Fine Arts in Dance from Rutgers University Mason Gross School of the Arts (MGSA). While at MGSA she was a member of University Danceworks which gave her the opportunity to work with many well-known choreographers. She then went on to study massage therapy in order to increase her knowledge of anatomy and injury prevention. It was at a very young age that Dana knew teaching dance was her life's dream and is thrilled to bring the love and appreciation of dance into the hearts of young children each and every day.

Thank You

To have an entire school year of dance classes and put on these 4 beautiful shows, it takes an immense village!

To our dancers...we are so grateful for the heart and soul you bring into the classroom. Thank you for showing up, being the best you can be and making us so proud!

To our PMDC Parents and caregivers...We know the immense sacrifice it can be to get your dancers to class every week and support them in every way possible and we are so grateful to all of you. You are the backbone of PMDC!

To the PMDC Faculty and Staff...our everlasting gratitude for your professionalism, your expertise and your unending dedication to our dancers! None of this would be possible without the best TEAM of dance instructors and staff!

Lastly, a HUGE thank you to Dana and Lindsay's families. The late nights and long weekends and all of our hard work would not be possible without your support. Thank you Bill, Evan and Ellie and Peter, Emma and Jamie.

Come Alive

(Summer Kennedy)

We all dream in every color
Searchin' for somethin' bigger
And there's a fire deep inside
It's gettin' ready to ignite

We can believe if we open our eyes
Out from the darkness we reach for the light
There is no limit we aim for the sky
No hill we can't climb

Our dreams come alive, alive
Our dreams come alive, alive
We can be heroes and legends today
And nothing can stand in our way
Our dreams come alive, alive
Our dreams come alive
Our dreams come alive (Ooo, Ooo)

Through highs and lows and every struggle
We scale these walls and jump through hurdles
There's no surrender, no defeat
We will conquer fearlessly

We can believe if we open our eyes
Out from the darkness we reach for the light
There is no limit we aim for the sky
No hill we can't climb

Our dreams come alive, alive
Our dreams come alive, alive
We can be heroes and legends today
And nothing can stand in our way
Our dreams come alive, alive
Our dreams come alive

There's no mountain too high
And there's no river too wide

Our dreams come alive, alive
Alive, alive
We can be heroes and legends today
And nothing can stand in our way
Our dreams come alive, alive
Our dreams come alive
