

To set up your PMDC Student Account on the CLI website please use a computer and pay close attention to the instructions to create your account.

On your computer, click this link: [CLI Studios New Dancer Account](#)

- You will be prompted to create an account using an email and a password of your choice.
- When creating your account, please use the **parent's birthdate**. If you don't, it will ask you to input a credit card, you will not be charged when you register for CLI Studios. The credit card is required to adhere to special privacy rules in the United States to confirm parental consent when a dancer signs up for a CLI Studios account. Entering a credit card at signup allows CLI Studios to confirm that consent.
- Once you have created your account your dancer will be able to use the mobile app as normal.

We hope your children thoroughly enjoy taking class from these world-renowned dance teachers!
