

Pure Movement Dance Center  
is proud to present  
our 14th Annual Showcase  
May 15th - 17th 2026

Dear PMDC families,

We are so proud to present to you Pure Movement Dance Center's 14th annual end of year Showcase "Wild at Heart." We look forward to showcasing all of our students' hard work from the past year. Our Showcase will be held May 15th -17th at Governor Livingston High School in Berkeley Heights. We will be presenting five group showcases throughout the weekend in addition to 2 solo Showcases. Each show runs about 90 minutes. In this packet you will find all the information you need for both the dress rehearsals and performance days. As always, if you have any questions, please do not hesitate to contact Dana, Lindsay or any of our wonderful front desk staff.

**Some quick tips:**

- The Auditorium at Governor Livingston is located to the right of the Main Entrance at door #19. Parking is located off to the right side and there is also additional parking behind the school. It will fill relatively quickly, so please leave extra time.
- All Dancers should arrive at the main entrance door of the theater 30 minutes before their assigned Showcase time. You may then proceed to the dressing rooms where you will drop them off into the care of the staff and assistants of PMDC. Dancers will remain in our care until completion of the final bow where they will leave directly from the stage into the audience.
- Dancers should have their hair and make-up already completed before arrival. All dancers should arrive dressed in their first costume. For those with multiple dances in one show, you will be notified ahead of time which dance will be performed first.
- Videotaping will not be permitted in the audience. However, a professional videographer has been hired by PMDC to record the event and your Showcase Media Fee entitles you to a digital copy of the event.

We wish everyone a successful showcase weekend and cannot wait to see the smiling faces of all the dancers on stage!

Sincerely,

*Dana & Lindsay*

The PMDC dress rehearsal will be held May 12th-15th at the Theatre at:  
Governor Livingston High School  
175 Watchung Boulevard  
Berkeley Heights, NJ 07922

Each group dance that will be performed in the showcase will have an opportunity to practice once on the stage at rehearsal. The dress rehearsals serve several functions at once and we need everyone to be present to truly benefit from the opportunity. Performing at dress rehearsal gives the dancer a preview of their stage experience, familiarizes parents and students with the facility, gives each dance the opportunity to perfect technical aspects such as lighting, sound and staging and provides a wonderful opportunity for the dancers to observe other dances they may not see in their Showcase. Dress rehearsals are done in full dress (costume, tights, shoes, hair) however make-up is not required. If you would like to practice the stage make-up to acclimate your child to the experience, please feel free to do so.

- **Please arrive 20 minutes before your scheduled dress rehearsal time already dressed in costume.** Please refer to the dress rehearsal schedule for the assigned day and time of your child's class. Bear in mind that the rehearsal can run early or late and we need to remain flexible to account for extenuating circumstances.
- Upon arrival, dancers will be seated in the audience with their class and remain there until they are called to the stage. This allows them to watch the performances before them as well as get acquainted with the space.
- The dancers will run their dance on stage one time, unless there is a significant issue and it needs to be run again. Once your child's dance has been performed, they are free to leave...however....
- Many dancers like to stay and watch other dances even after the rehearsal is over. We definitely appreciate all dancers who want to watch and support other dancers, so leave some time in your schedule in case your child wants to watch!
- While at dress rehearsal, familiarize yourself with the dressing rooms, bathrooms, exits etc. so that during Showcase weekend you are comfortable and so is your child!
